MSRUAS is committed to a fair, transparent and consistent policy for admissions. The University adopts the policy of equal opportunities for education and firmly believes that education and social diversity enrich the experience of all stakeholders. University encourages the prospective candidates to seek its advice and guidance thus enabling them to arrive at informed choices/decisions for applying to appropriate programmes conforming to their aspirations and interests.

MS Ramaiah University of Applied Sciences offers 127 UG and PG Programs under 3 constituent colleges, 2 schools and 8 Faculties. All the programs offered under each Faculty are updated in the University Website. The Admission Policy at MSRUAS has a set of guidelines and processes to be

followed starting with inviting applications through advertisement every academic year for the admission of eligible candidates. The university issues notifications for admissions in popular print and electronic media. A brochure containing information regarding all offered programs, the number of seats in each program, the facilities provided to the students, etc. is published on the university website. Subsequently, students have to undergo online RUAS-AT entrance test. The entrance test is largely program specific MCQs wherein candidates will be selected based on the merit obtained in the entrance test.

As per MSRUAS Act, in such courses where Karnataka Examination Authority (KEA) is conducting counseling 40% of the seats will be given to the Government for filling up through counseling conducted by KEA. The Reservation Policy as per State Government Reservation Policy will be applied for the selection of the students. MSRUAS takes measures to increase the enrollment percentage by regularly disseminating its accomplishments, placements, and other credentials periodically. HEI has a provision to admit students through lateral entry quota in Faculty of Engineering and Technology, and Faculty of Pharmacy (B.Pharm). The NAAC data template doesn't permit to enter the details of such students so data provided in NAAC template contains only first year admitted details. However, LATERAL ENTRY STUDENTS details are provided separately to substantiate HEI claim.
