

M.S. RAMAIAH UNIVERSITY OF APPLIED SCIENCES

NAAC-Criterion 1: Curricular Aspects

HEI CLAIM SHEET

Details		Weightage
Criterion	1 - Curricular Aspects	150
Key Indicator	1.3–Curriculum Enrichment	50
Metric Number	1.3.1–Institution integrates cross-cutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability and other value framework enshrined in Sustainable Development Goals and National Education Policy (Q.M)	15

Response:

MSRUAS, through its vision, has a strong focus on applied research while maintaining the highest academic and ethical standards. The HEI is committed to impart holistic education through its Programmes and activities by integrating cross-cutting issues such as professional ethics, gender equality, human values, environmental and sustainability, Sustainable Development Goals and National Education Policy-2020. Mandatory courses with credits, like Constitution Human Rights and Law, are introduced in most of the Programmes.

Programmes developed as per the guidelines of NEP 2020 have credit courses that cover issues related to Ethics, Gender, Human Values, Environment and Sustainability and similarly other courses coming under the gamut of Sustainable Development Goals and National Education Policy. The HEI had intense discussion regarding the implementation of NEP-2020 in the 25th Academic Council and took the decision to implement NEP guidelines from the Academic Year 2022-23. In the Academic Year 2022-23, the principles and guidelines of NEP were adopted in modifying the undergraduate Programmes offered by FAD, FMPS, FLAHS, FMC and SSS. In the Academic Year 2023-2024, all B.Tech. Engineering Programmes offered under FET have incorporated the requirements of NEP. The course specification documents are submitted with highlighted contents for each categories as follows:

- Professional Ethics
- Gender
- Human Values
- Environment and Sustainability

In addition to the credited courses, students are exposed to various co and extra-curricular activities that integrate cross-cutting issues relevant to the metric. These events and activities are conducted through different forums such as club activities, field visits, competitions, service to society, Unnat Bharat Abhyan, Rotaract and NSS.
