M S Ramaiah University of Applied Sciences (MSRUAS) aspires to be the prominent University in Asia for student-centric professional education with strong focus on applied research. MSRUAS makes intense efforts to fulfill its commitment for providing student-centric learning experience. HEI has taken initiatives to promote experiential learning, participative learning and learning based on problem-solving methodologies:

MSRUAS is considered student centric learning as one of the very important aspects across the university and, has initiated additional programs along with academic approach to ensure students involve, learn and apply to solve the societal problems. Key initiatives such as Mandatory Service to society program offers students to cater into the local places, interact with people, observe, identify the issues, formulate the problem and evolve the possible solution. This entire process makes students to understand the participative learning, experiential learning and problem solving approach.

Many such programs are initiated at the department level depending on the program requirements, such as Dental student's camp, Field Survey study, Industry visits, Internships, Modeling and simulation, Creative arts, Projects, Citizen Youth Parliament, Rotract Club activities, community service, Village adoption etc. Similarly ICT enabled tools like digital class rooms, ERP, LMS course specific software, MOOC Courses, NPTEL, Swayam platforms, digital libraries, Hybrid mode of teaching are used for effective teaching learning process.
