**HEI Claim for Metric 5.2.3
Students Qualifying in State/National/International
levels**

Aspiring students are encouraged and trained by MSRUEAS to get ready for competitive exams. The curriculum is thoughtfully created so that students can learn about many subjects in a variety of ways.

Numerous contests, activities, seminars, and conferences are planned in order to meet the demands of the competitive examination. National and International events are organized in accordance with national or international norms.

These assist the students in tracking their development and attempting to participate in activities and competitions on a national and international level. The university helps the students and mentors them with experts from a particular field. Students who receive career counseling and preparation are better able to choose their future route. Individual competencies are developed through these activities and initiatives in various areas, including self-awareness, education, communication skills, soft skills, and leadership abilities.

**RAMAIAH
UNIVERSITY**
OF APPLIED SCIENCES

The UGC NET syllabus is being discussed and practiced at regular intervals of time. UPSC training sessions are well-planned and executed to upgrade the knowledge and guide under new patterns.

The university organized orientation classes on Civil services to understand the various career Opportunities at Central and State/ Zone levels also motivate and encourage students to dream big and achieve big to reach a greater extent in their career journey. The university also offers support to Volunteered students for NET/SLET/UPSC exams with necessary extra/additional classes from experienced faculties.
